

Report of the auditor-general to Western Cape Provincial Parliament and the Council on the Cape Agulhas Municipality

Report on the audit of the financial statements

Opinion

1. I have audited the financial statements of the Cape Agulhas Municipality set out on pages 4 to 112, which comprise the statement of financial position as at 30 June 2019, the statement of financial performance, statement of changes in net assets, cash flow statement and the statement of comparison of budget information with actual information for the year then ended, as well as the notes to the financial statements, including a summary of significant accounting policies.
2. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Cape Agulhas Municipality as at 30 June 2019, and its financial performance and cash flows for the year then ended in accordance with the South African Standards of Generally Recognised Accounting Practice (SA Standards of GRAP) and the requirements of the Municipal Finance Management Act of South Africa, 2003 (Act No. 56 of 2003) (MFMA) and the Division of Revenue Act of South Africa, 2018 (Act No. 1 of 2018) (Dora).

Basis for opinion

3. I conducted my audit in accordance with the International Standards on Auditing (ISAs). My responsibilities under those standards are further described in the auditor-general's responsibilities for the audit of the financial statements section of this auditor's report.
4. I am independent of the municipality in accordance with sections 290 and 291 of the International Ethics Standards Board for Accountants' *Code of ethics for professional accountants* (IESBA codes), parts 1 and 3 of the International Ethics Standards Board for Accountants' *International code of ethics for professional accountants (including International Independence Standards)*, as well as the ethical requirements that are relevant to my audit in South Africa. I have fulfilled my other ethical responsibilities in accordance with these requirements and the IESBA codes.
5. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matters

6. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Restatement of corresponding figures

7. As disclosed in note 44 to the financial statements, the corresponding figures for 30 June 2018 have been restated as a result of errors discovered during 2018-19 in the financial statements of the municipality for the year ended 30 June 2019.

Material losses/impairments

8. As disclosed in note 3 to the financial statements, the municipality has provided for an impairment of R20,6 million (2017-18: R16,6 million) on receivables from exchange transactions.
9. As disclosed in note 4 to the financial statements, the municipality has provided for impairment of receivables from non-exchange transactions amounting to R24,9 million (2017-18: R18,5 million).
10. As disclosed in note 48.4 to the financial statements, the municipality disclosed material electricity distribution losses amounting to R3,7 million (2017-18: R3,7 million).

Discontinued operations

11. As disclosed in note 59, Related parties, to the financial statements, the municipality resolved during the 2012-13 financial year to deregister the Southernmost Development Agency (SOC) LTD. The entity does not have any assets or liabilities at the reporting date (30 June 2018 and 30 June 2019). The deregistration process is yet to be finalised.

Other matters

12. I draw attention to the matters below. My opinion is not modified in respect of these matters.

Unaudited supplementary information

13. The supplementary information set out on pages 113 to 130 of the financial statements does not form part of the financial statements and is presented as additional information. I have not audited this information and, accordingly, we do not express an opinion thereon.

Unaudited disclosure notes

14. In terms of section 125(2)(e) of the MFMA, the municipality is required to disclose particulars of non-compliance with the MFMA. This disclosure requirement did not form part of the audit of the financial statements and accordingly I do not express an opinion thereon.

Responsibilities of the accounting officer for the financial statements

15. The accounting officer is responsible for the preparation and fair presentation of the financial statements in accordance with SA Standards of GRAP and the requirements of the MFMA and Dora, and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
16. In preparing the financial statements, the accounting officer is responsible for assessing the Cape Agulhas Municipality's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the appropriate governance structure either intends to liquidate the municipality or to cease operations, or has no realistic alternative but to do so.

Auditor-general's responsibilities for the audit of the financial statements

17. My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
18. A further description of my responsibilities for the audit of the financial statements is included in the annexure to this auditor's report.

Report on the audit of the annual performance report

Introduction and scope

19. In accordance with the Public Audit Act of South Africa, 2004 (Act No. 25 of 2004) (PAA) and the general notice issued in terms thereof, I have a responsibility to report material findings on the reported performance information against predetermined objectives for selected key performance areas presented in the annual performance report. I performed procedures to identify findings but not to gather evidence to express assurance.
20. My procedures address the reported performance information, which must be based on the approved performance planning documents of the municipality. I have not evaluated the completeness and appropriateness of the performance indicators included in the planning documents. My procedures also did not extend to any disclosures or assertions relating to planned performance strategies and information in respect of future periods that may be included as part of the reported performance information. Accordingly, my findings do not extend to these matters.
21. I evaluated the usefulness and reliability of the reported performance information in accordance with the criteria developed from the performance management and reporting framework, as defined in the general notice, for the following selected key performance area presented in the annual performance report of the municipality for the year ended 30 June 2019:

Development priority (key performance area)	Pages in the annual performance report
Key performance area 5 (KPA 5) – basic service delivery	26 – 31

22. I performed procedures to determine whether the reported performance information was properly presented and whether performance was consistent with the approved performance planning documents. I performed further procedures to determine whether the indicators and related targets were measurable and relevant, and assessed the reliability of the reported performance information to determine whether it was valid, accurate and complete.

23. I did not raise any material findings on the usefulness and reliability of the reported performance information for this development priority (key performance area):

- Basic service delivery

Other matters

24. I draw attention to the matters below.

Achievement of planned targets

25. Refer to the annual performance report on pages 26 to 31 for information on the achievement of planned targets for the year and explanations provided for the under-/overachievement of a number of targets.

Adjustment of material misstatements

26. I identified material misstatements in the annual performance report submitted for auditing. These material misstatements were on the reported performance information of Basic service delivery. As management subsequently corrected the misstatements, I did not raise any material findings on the usefulness and reliability of the reported performance information.

Report on the audit of compliance with legislation

Introduction and scope

27. In accordance with the PAA and the general notice issued in terms thereof, I have a responsibility to report material findings on the compliance of the municipality with specific matters in key legislation. I performed procedures to identify findings but not to gather evidence to express assurance.

28. I did not raise material findings on compliance with the specific matters in key legislation set out in the general notice issued in terms of the PAA. The material findings on compliance with specific matters in key legislations are as follows:

Other information

29. The accounting officer is responsible for the other information. The other information comprises the information included in the annual report. The other information does not include the financial statements, the auditor's report and those selected development priorities (key performance areas) presented in the annual performance report that have been specifically reported in this auditor's report.

30. My opinion on the financial statements and findings on the reported performance information and compliance with legislation do not cover the other information and I do not express an audit opinion or any form of assurance conclusion thereon.

31. In connection with my audit, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements and the selected development area (key performance area) presented in the annual

performance report, or my knowledge obtained in the audit, or otherwise appears to be materially misstated.

32. I have nothing to report in this regard.

Internal control deficiencies

33. I considered internal control relevant to my audit of the financial statements, reported performance information and compliance with applicable legislation; however, my objective was not to express any form of assurance on it. I did not identify any significant deficiencies in internal control.

Auditor General

Cape Town

29 November 2019

AUDITOR - GENERAL
SOUTH AFRICA

Auditing to build public confidence

Annexure – Auditor-general’s responsibility for the audit

1. As part of an audit in accordance with the ISAs, I exercise professional judgement and maintain professional scepticism throughout my audit of the financial statements, and the procedures performed on reported performance information for selected key performance areas and on the municipality’s compliance with respect to the selected subject matters.

Financial statements

2. In addition to my responsibility for the audit of the financial statements as described in this auditor’s report, I also:
 - identify and assess the risks of material misstatement of the financial statements whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
 - obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the municipality’s internal control
 - evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the accounting officer
 - conclude on the appropriateness of the accounting officer’s use of the going concern basis of accounting in the preparation of the financial statements. I also conclude, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Cape Agulhas Municipality’s ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor’s report to the related disclosures in the financial statements about the material uncertainty or, if such disclosures are inadequate, to modify the opinion on the financial statements. My conclusions are based on the information available to me at the date of this auditor’s report. However, future events or conditions may cause a municipality to cease continuing as a going concern
 - evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

Communication with those charged with governance

3. I communicate with the accounting officer regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
4. I also confirm to the accounting officer that I have complied with relevant ethical requirements regarding independence, and communicate all relationships and other matters that may reasonably be thought to have a bearing on my independence and, where applicable, related safeguards.
