

**NEW COUNCIL! NEW IDP! IT'S TIME FOR YOU TO HAVE YOUR SAY**  
**NUWE RAAD! NUWE GOP! DIT IS TYD OM JOU SÊ TE SÊ**

We call on all residents and stakeholders to actively participate in the Integrated Development Plan (IDP) process. The IDP is the principal strategic planning instrument of a municipality and forms the basis of the municipal budget.

Cape Agulhas Municipality has scheduled public meetings in all 6 wards. To ensure that you have an input in the development for your community, let your voice be heard!

Ons doen beroep op alle inwoners en belanghebbendes om aktief deel te neem in die Geïntegreerde Ontwikkelingsplan (GOP) proses. Die GOP is die vernaamste strategiese beplanningsinstrument van 'n munisipaliteit en vorm die basis van die munisipale begroting.

Kaap Agulhas Munisipaliteit het publieke vergaderings in al 6 wyke geskeduleer. Om te verseker dat jy 'n inset lewer in die ontwikkeling van jou gemeenskap, laat jou stem hoor!
