**1 PURPOSE**

The purpose of this report is to present a Time Schedule of Key Deadlines for the 2020/21, 2021/22 and 2022/23 Budget and the 2020/21 IDP review for approval in terms of Sections 21 (1) (b) and 53(1) (b) of the Municipal Finance Management Act (Act 56 of 2003) (MFMA) read together with Sections 28 and 34 of the Local Government Municipal Systems Act (Act 32 of 2000).

**2 LEGAL FRAMEWORK**

Integrated development planning is regulated by Chapter 5 of the Local Government Municipal Systems Act. Act 32 of 2000.

Section 28 requires:

- 1) *"Each municipal council, within a prescribed period after the start of its elected term, must adopt a process set out in writing to guide the planning, drafting, adoption and review of its integrated development plan.*
- 2) *The municipality must through appropriate mechanisms, processes and procedures established in terms of Chapter 4, consult the local community before adopting the process.*
- 3) *A municipality must give notice to the local community of particulars of the process it intends to follow"*

Section 34 requires:

The Municipal Council to annually review its IDP in accordance with an assessment of its performance and to the extent that changing circumstances require.

The Municipal Finance Management Act, (MFMA) Act 56 of 2003 regulates the Budget preparation process;

*"21. (1) The mayor of a municipality must:*

*a) co-ordinate the processes for preparing the annual budget and for reviewing the municipality's integrated development plan and budget-related policies to ensure that the tabled budget and any revisions of the integrated development plan and budget-related policies are mutually consistent and credible;*

*(b) at least 10 months before the start of the budget year, table in the municipal council a **time schedule** outlining key deadlines for:*

- (i) the preparation, tabling and approval of the annual budget;*
- (ii) the annual review of:*

*(aa) the integrated development plan in terms of section 34 of the Municipal Systems Act; and*

*(bb) the budget-related policies;*

- (iii) the tabling and adoption of any amendments to the integrated development plan and the budget-related policies;*
- and*

(iv) any consultative processes forming part of the processes referred to in subparagraphs (i), (ii) and (iii)

Section 53(1)(b) provides that;

*The mayor of a municipality must co-ordinate the annual revision of the integrated development plan in terms of section 34 of the Municipal Systems Act and the preparation of the annual budget, and determine how the integrated development plan is to be taken into account or revised for the purposes of the budget.*

### 3 DISCUSSION

The Council adopted a process plan for the development and review of the new five year IDP on 30 August 2016 per resolution 176/2016.

The Process Plan contained a detailed written process and a time schedule of key deadlines. Essentially the process stays the same for the duration of the IDP Cycle, but the time schedule is re-developed for each year.

The proposed Time Schedule for Deadlines for the 2020/21 IDP review and 2020/21, 2021/22 and 2022/23 is as follows:
